How can I make my payment directly online?

You must go to one of the participating financial institutions Web site and enter the name of our organization (cpa montreal) in the appropriate field.

Afterwards, you must enter your reference number. Your reference number corresponds to your CPA Montréal employee's number preceded by 00 (to pay a course) or your establishment number has a fixed number of 8 digits without hyphens or spaces (to pay your monthly levies).

To complete your payment, follow the on-screen instructions.
